

I can write a story beginning

Once upon a time...

A long time ago...

Where is your story
going to happen?
Who is in your story?

Deep in the forest...

At the North Pole...

I can write a story middle

What is the main event
in your story?

The ship hit the rocks and began to sink...

There was a big battle...

I can write a story ending

The lion was captured and returned safely to the zoo.

The sun came out and they played in the sea.

How do the events get resolved?
