BENEFITS AND VALUE

- ▶ ICT in the schooling environment will allow for consistent and frequent communication with schools and educators by the ECDOE.
- ▶ It will enable sound school governance and management practices.
- ▶ It will enable achievement of better learning outcomes through an ICT enabled monitoring system.
- ▶ It will enhance reporting of learner records made easy through ICT.

WHO ARE THE TARGETED RECIPIENTS

- ▶ Educators from foundation and intersen who did not receive their devices during the previous 2 roll-outs
- ▶ FET phase educators

EASTERN CAPE DEPARTMENT OF EDUCATION

Connectivity Project

FET phase educators
ICT devices distribution

WHAT SHOULD YOU EXPECT DURING THE ROLL-OUT

THE ROLL-OUT WILL OCCUR IN THREE PHASES

▶ PRE-VERIFICATION

PURPOSE:

- To make sure all intended laptop recipients are included on the distribution list.
- Principals to have each educators name and surname, cellphone no. and persal no. on hand for telephonic pre-verification.

▶ DELIVERY

- Principals and District officials will be notified of pending delivery
- Delivery of the laptops will be made directly to the schools

▶ CONTROL

MONITORING, EVALUATION, CONTROL AND CHANGE MANAGEMENT

- Opecs will oversee the entire process
- Stakeholder engagements will be conducted to evaluate the success of the project and to address any problems encountered during distribution.
