Provincial Teacher Development Courses

4th Term of 2021 & 1st Term of 2022

TO ALL TEACHERS: Amathole West (AW); Nelson Mandela Bay (NMB) and Sarah Baartman (SB) Districts

OVERVIEW

The Eastern Cape Department of Education has had to re-prioritize teacher development programmes to accommodate the challenges Covid-19 had brought about in 2020 and 2021. Normal residential face-to-face training had to be suspended, while holiday training was affected by calendar changes. With the reduction of Covid-19 restriction levels and to make up for lost ground, the Teacher Development Chief Directorate is now able to consider a recovery plan from now until March 2022.

The ECDoE teacher development programmes featured in this flyer, offer training in subject-specific content and teaching methodologies and comprise 5-day face to face workshops, which will be mainly decentralized to district/CMC level, to bring training closer to the teachers, and to also prevent the extreme expenditure on accommodation in the current financial climate. For smaller subjects the training will be **centralized in residential training** sessions at Institutes. The intention is to train during selected weekday afternoons and to utilize the two holiday weeks available to Coastal Provinces in January 2022.

Curriculum Management has been collaborating with Teacher Development to ensure that all teachers who attend provincial courses have a high quality overall training experience. The FET courses on offer have all been endorsed by SACE and teachers attending the full duration of these courses will therefore earn CPTD points. The GET courses are also SACE endorsed. The intention remains to ensure that good quality training is provided, that will impact on teaching and learning practice, and still ensure that no classroom is left without a teacher during contact time.

It is therefore a pleasure to invite teachers to register for the teacher development training courses on offer in this flyer by completing the google registration forms on-line, **on or before the closing date of Friday, 12 November 2021.**
