**PROVINCIAL TEACHER DEVELOPMENT COURSES**

**JUNE HOLIDAY TRAININGS**

**2<sup>nd</sup> TERM OF 2022 (JUNE 2022)**

**TO ALL TEACHERS:**

- **AMATHOLE EAST EDUCATION DISTRICT**
- **BUFFALO CITY METRO (BCM) EDUCATION DISTRICT**

**OVERVIEW**

The East Cape Department of Education (ECDoE) had to re-prioritize Teacher Development Programmes to accommodate the challenges Covid-19 had brought about in 2021. Normal residential face-to-face training had to be suspended, while holiday training was affected by calendar changes. With the reduction of Covid-19 restriction levels and to make up for lost ground, the Teacher Development Chief Directorate is now able to consider a recovery plan during winter/June holidays.

The ECDoE Teacher Development Programmes featured in this flyer, offer training in subject-specific content and teaching methodologies and comprise 5-day face-to-face workshops, which will be mainly decentralized to district level, to bring training closer to the teachers, but also prevent the extreme expenditure on accommodation in the current financial climate. For smaller subjects the training will be centralized in residential training sessions at Institutes.

Curriculum Management has been collaborating with Teacher Development to ensure that all teachers who attend provincial courses have a high-quality overall training experience. The FET courses on offer have all been endorsed by SACE and teachers attending the full duration of these courses will therefore earn CPTD points. The GET courses are also SACE endorsed. The intention remains to ensure that good quality training is provided, that will impact on teaching and learning practice, and still ensure that no classroom is left without a teacher during contact time.

It is therefore a pleasure to invite teachers to register for the Teacher Development training courses on offer in this flyer by completing the google registration forms on-line, **closing date Friday, 10 June 2022.**
