PROVINCIAL TEACHER DEVELOPMENT COURSES

JUNE – JULY HOLIDAY TRAININGS

2ND TERM OF 2024 (JUNE – JULY 2024)

TO ALL TEACHERS:

- AMATHOLE EAST EDUCATION DISTRICT
- BUFFALO CITY METRO (BCM) EDUCATION DISTRICT

OVERVIEW

The East Cape Department of Education (ECDoE) had to re-prioritize Teacher Development Programmes to accommodate the challenges in Content Gap and Methodology.

The ECDoE Teacher Development Programmes featured in this flyer, offer training in subject-specific content and teaching methodologies and comprise 2-to-5-day face-to-face workshops, which will be mainly decentralized to district level, to bring training closer to the teachers, but also prevent the extreme expenditure on accommodation in the current financial climate. For smaller subjects the training will be centralized in residential training sessions at Institutes.

Curriculum Management has been collaborating with Teacher Development to ensure that all teachers who attend provincial courses have a high-quality overall training experience. The Secondary Curriculum Management (SCM) courses on offer have all been endorsed by South African Council of Educators (SACE) and teachers attending the full duration of these courses will therefore earn Continuing Professional Teacher Development (CPTD) points. The Primary Curriculum Management (PCM) courses are also SACE endorsed. The intention remains to ensure that good quality training is provided, that will impact on teaching and learning practice, and still ensure that no classroom is left without a teacher during contact time.

It is therefore a pleasure to invite teachers to register for the Teacher Development training courses on offer in this flyer by completing the google registration forms on-line, **closing date Friday, 19 April 2024.**
