SUBJECT : REGISTRATION OF UNEMPLOYED QUALIFIED EDUCATORS ON THE EASTERN CAPE DEPARTMENT OF EDUCATION DATABASE

DATE : 13 AUGUST 2026

1. The Eastern Cape Department of Education is committed to ensuring that all trained educators contribute meaningfully to the development and improvement of education within the Province.
2. To support this objective, the department is establishing a provincial database of unemployed qualified educators.
3. The purpose of this database is to create a reliable pool of qualified unemployed educators who may be considered when employment, contractual, relief, project-based, internship, substitute, or any other suitable opportunities become available within the department.
4. The availability of accurate, up-to-date information will enable the department to respond efficiently to staffing requirements and ensure that qualified educators are identified promptly.
5. Districts are therefore requested to communicate this initiative within their respective districts and encourage all unemployed qualified educators to register on the department's database using the link provided below:

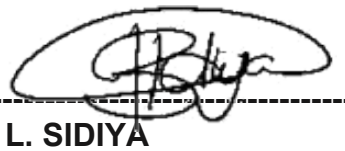
   Registration link: https://forms.gle/UBzAo8kHDpqRVzPz7

6. Applicants are required to complete all the fields contained in the link. It is important that the information provided is complete, accurate, and up to date, as

incomplete information may compromise the department's ability to utilise the database effectively when opportunities arise.

7. Districts are requested to use all available communication platforms, including district communication channels, circuit offices, social media, and stakeholder networks, to ensure this information reaches all unemployed qualified educators within their areas of responsibility.
8. It should be noted that registration on the database does not constitute an offer or guarantee of employment.
9. The database will serve solely as a resource to assist the department in identifying suitably qualified educators when the need arises, subject to the applicable recruitment and selection processes and legislative requirements.

Yours in Quality Education



MS L. SIDIYA
ACTING CHIEF DIRECTOR HRM & D
