ERRATUM: CIRCULAR 10 OF 2026

TO : **PRINCIPALS OF ALL SCHOOLS**
SCHOOL GOVERNING BODIES
SGB ASSOCIATIONS

FROM : **HEAD OF DEPARTMENT: EDUCATION**

SUBJECT : **ERRATUM: CENTRALISATION OF LTSM PROCUREMENT – INVITATION TO MAKE REPRESENTATIONS IN TERMS OF S21 OF THE SOUTH AFRICAN SCHOOLS ACT 84 OF 1996**

DATE : **26 AUGUST 2026**

1. The above matter and **Circular 10 of 2026 dated 19 August 2026** refer. The Circular invited schools wishing to undertake independent/decentralised procurement of Learning and Teaching Support Material (LTSM) to submit formal representations supported by documentary evidence demonstrating that such procurement would be more cost-effective than procurement undertaken centrally by the Head of Department.

2. The Department hereby issues this **Erratum** to Circular 10 of 2026 in order to clarify and amend the requirements applicable to schools intending to make representations for decentralised procurement.

3. **Extension of the Submission Date**

   The closing date for the submission of representations, originally stipulated as **26 August 2026**, is hereby **extended to close of business on 03 September 2026**. The original Circular required representations to be submitted by email to Mr V. Joseph but now send to Ms Phumla Mpengesi.

4. **Evidence of Cost-Effectiveness**

Schools making representations for approval to undertake decentralised procurement must provide **clear, credible and verifiable documentary evidence** demonstrating that their proposed procurement will be more cost-effective than the Department's centralised procurement arrangements.

In this regard, schools must provide comparative pricing **for each individual stationery item and each textbook** that they intend to procure. The comparison must clearly demonstrate that the price obtainable through the school's proposed decentralised procurement process is lower than the applicable centralised procurement price.

This requirement is consistent with Section 21(3A), as reflected in Circular 10 of 2026, which requires a governing body to provide documentary proof that procurement from an alternative supplier will be more cost-effective than central procurement by the Head of Department.

5. **Confirmation of Capacity to Manage Decentralised Procurement**

In addition to demonstrating cost-effectiveness, each school seeking approval for decentralised procurement must provide written confirmation, supported where appropriate by relevant documentation, that the school is **fully capacitated to manage the decentralised procurement process**.

The school must be able to demonstrate that it has appropriate governance, financial management, procurement, record-keeping, asset/LTSM management and accountability systems in place to ensure that all procurement is undertaken in accordance with applicable legislation, prescripts and departmental requirements.

6. **Annexures: Centralised Pricing**

To enable schools to make an informed and transparent comparison, the Department has attached the applicable **centralised prices for stationery items and textbooks as annexures to this Erratum**.

Schools making representations must use the attached pricing schedules as the basis against which their proposed supplier prices are compared.

7. Representations that do not contain the required **item-by-item price comparison**, supporting documentary evidence and confirmation of the school's capacity to manage decentralised procurement may not be considered.

8. All other provisions and requirements contained in **Circular 10 of 2026** remain unchanged. The Circular explains that centralised procurement is intended, amongst other objectives, to leverage bulk purchasing power, reduce costs, improve procurement efficiency and strengthen accountability in the management of LTSM.

9. Schools are therefore requested to submit their complete representations **by no later than close of business on Thursday, 03 September 2026**, to: Ms Phumla Mpengesi, NOT to Mr V Joseph

   Email: phumla.mpengesi@ecdoe.gov.za

10. Schools that already submitted only a letter or an email will not be considered as it was an incomplete submission. Such schools must re-submit to the above email with all required documents for consideration.

Your cooperation in ensuring compliance with the above requirements is highly appreciated.

Yours in quality education,

pp
