TERM 1 WEEK 3

This document consists of 4 pages

WORKSHEET 2

QUESTIONS

1.1 Define the following terms:

1.1.1 Decision making (1)

1.1.2 Sustainable consumption (2)

1.2 Read the scenario below and answer the questions that follow:

Luxolo is a Grade 10 hostel learner in King Williams Town and forgot her Consumer Studies book at home in Grahamstown. She does not have enough money to buy a new book and is writing a test in 4 days. She thought of borrowing the book from her classmates but they are also busy preparing for the same test, she also thought of getting a lift to Grahamstown but could be very expensive. She decided to buy a new textbook which will be cheaper than going back home.
