Welcome Back to the Third Term!

Dear Colleagues,

Welcome back to the third term! I trust that you had a well-deserved, restful winter holiday and are returning refreshed and ready for the busy term ahead.

The third term is always an important one in the school calendar. It is a time to build on the work of the first half of the year and to continue making a meaningful difference in the lives of our learners. Thank you for your unwavering commitment, professionalism and dedication. Your contribution to education is truly valued and appreciated.

Please note that this is an **abridged edition** of *Hoor Hier*. Owing to the shortened production schedule after the holidays, some of our regular sections have been omitted. They will all return in the next edition.

Teachers are encouraged to take note of the **large number of promotion posts** currently being advertised. There are numerous vacancies for **Principals, Deputy Principals and Heads of Department**. If you are considering a new challenge or the next step in your career, this is an excellent opportunity to do so.

Many teachers have also been enquiring about the **Grade 12 June Common Examination** question papers. These papers should be available within the next week and will be published as soon as they are received.

May the third term be a productive, rewarding and successful one for you and your learners. We wish you good health, renewed energy and every success in the weeks ahead.

Welcome back, and all the best for the term ahead!
